

I, Mike Arntzen, Certify that this is a word for word exact reproduction of the letter narrated to me by Peter Primeau on 9/17/2014 at 8:30-8:45pm at Bellevue, WA.

To who it may concern

I am Peter Primeau, Bobs Father in Law

Bob is a loving family man with 2 wonderful children and a wife

Bob and I went fishing boating and hunting together many times Bob is very helpful to me and my family at all times including mowing the lawn, to helping fix plumbing and home repairs

Bob and I talked many times about his work in the Army. He worked very hard at being a good soldier and was very concerned about his fellow soldier.

His biggest complaint was having to leave his family for long periods of time.

His family needs him to be home.

Sincerely

Peter Primeau
